## External Reference

1. The Management of **Health and Safety** at Work **Regulations** 1999. Advice and Guidance: Health and Safety. ICMP has developed practices and processes to ensure that there are appropriate procedures for reducing the risks of injury to staff and students.

## **1. GENERAL STATEMENT**

- 1.1. To help control the risk of exposure to Asbestos Containing Materials (ACM), and to comply with The Control of Asbestos Regulations 2012, ICMP have had an asbestos survey performed at their campus buildings located at:

1b Dyne Road  
London  
NW6 7XG

During the survey, no ACM's were discovered in the premises, and the asbestos register is available for inspection by any person/contractor who performs work in / on the premises and by any enforcing agency.

- 1.2. ICMP are committed to ensuring that their employees receive adequate training in asbestos awareness to control the risk of asbestos exposure at ICMP premises and also to ensure compliance with Regulation 10 of The Control of Asbestos Regulations.
