

Academic Quality and Governance Framework

Foreword

The Academic Quality Framework brings together ICMP's Quality Framework and the Governance Framework, our key frameworks for the ongoing management and monitoring of quality and standards at ICMP.

It is made available to prospective students, staff, and external regulatory bodies. This enables ease of access to all stakeholders for reference and support with activities relating to quality and standards.

The Academic Quality Framework contains the following chapters:

Part 1

Section 01	Introduction to the Academic Quality Framework
Section 02	Regulatory Requirements
Section 03	Portfolio Development*
Section 04	Annual Monitoring*
Section 05	Periodic Review*
Section 06	Programme Documentation*
Section 07	Academic Regulations
Section 08	Student Recruitment and Admissions*
Section 09	Teaching, Learning and Assessment*
Section 10	Student Support*
Section 11	External Examiners*
Section 12	Student Voice*
Section 13	Assessment Board
Section 14	Glossary

Part 2

Section 01	Introduction to the Governance Framework*
Section 02	Terms of Reference

* The following chapters are currently being reviewed following the achievement of taught degree awarding powers.

These sections are periodically reviewed by the Quality Team to ensure that the information contained is accurate and amended when required prior to approval at Academic Board.
